COMMUNIQUÉ XLIV

## 1. PROTECTING YOUR ADT SELECT PASSWORD 2. REMINDER RE BONUS SCHEME

### 1. PROTECTING YOUR ADT SELECT PASSWORD

ADT Service Agents using the ADT Select online reporting service have been allocated a unique logon and password for their organisation.

These access details will be known by all relevant staff such as your technicians, so make sure you protect this information when one of your staff members leaves and joins a similar organisation.

Simply change your password using the Password menu option in ADT Select. Alternatively you can email (adt.firemon.nz@tycoint.com) or phone (0800 238 111) to request the logon information be changed thereby protecting your clients' personal and monitoring data. Remember to notify your work colleagues of this new password.
